THE STAGING ROOM

Pricing Isn't the Only Consideration

Did you know that poor quality staging can hurt your sale?

The right design choices can elevate a buyer's perception of your home. Proper scale, updated style, and refined color palettes signal value.

Quality staging matters.

What Makes a Home Stand Out

- **Thoughtful scale** — never undersized or out of proportion
- **Fresh, updated styling** — free of outdated patterns or tired trends
- **Curated furnishings** — a refined mix of pieces from our 5,000 sq. ft. warehouse
- **Sophisticated color palettes** — elegant, balanced, and timeless
