Medications

All medications must be checked-in with the camp nurse on Monday. There will be a separate line directly to the nurse. **Please note that we can only accept medications in the original container, no exceptions. All medications should be picked up at check-out.** Any medications left at camp will be held for two weeks and then disposed of. The Nurse will have your Medical and Medication information on hand at check-in, pulled from your previous submission online. Parents (or guardians) of campers with medications must sign the medication authorization form at check-in when dropping off medication to confirm all information in the medical form is accurate at time of dropping off camper.

Camper Rules

These simple rules are explained to all campers. We hope giving them to you now will help your child know more of what to expect at camp.

1. We want every child to feel loved, accepted, and safe. Therefore, Triple R Ranch has a "no tolerance" policy for fighting and aggressive behavior. A camper will be given one warning if he/ she is physically or verbally aggressive, and a call will be placed to the parent. If there is a second incident, the camper will be sent home.
2. Boys are not allowed in the girl's cabin area. Girls are not allowed in the boy's cabin area.
3. Shoes and shirts should be worn at all times, even going to and from the pool.
4. Let's keep Triple R Ranch looking good, don't be a litterbug!
5. No talking when those leading an activity or making announcements are talking. That's the best way to make sure everyone gets to hear what's going on.
6. We would appreciate everyone wearing modest clothing. No under-clothes (bottoms or tops) should be visible and shorts should have at least a 2" inseam. Bathing suits need to be conservative one piece suits (or conservative two-piece tankini for girls).

Camp Store, The "Trading Post"

The camp store will be open throughout the day. Items available include: chips, crackers, candy, sodas, juice, snacks, souvenirs, T-shirts, and other items. Each camper's money is deposited into an account for them. The Trading Post will be open during both check-in and check-out times for campers and their families.

You can also find CARE PACKAGES at our ONLINE STORE at www.triplerranch.org. These can be purchased anytime and are delivered daily.

*Please keep reading to find out how you can order a care package.

Suggested Amount to Deposit

Parents pre-pay an amount for each camper's account before the week arrives. Campers will only be able to make purchases on their account and not with physical money; it is against camp rules for campers to bring money with them to camp. If they do, it will be turned into the office and can be picked up at the end of the week.

We about $50 as adequate spending money for the week. However, we encourage each family to deposit an amount that is reasonable for their budget.

If you did not add an amount at registration, you can log back into your account to add money or call the office.

Cabins and Food

Due to the amount of insects at the Triple R Ranch, we would appreciate no food to be brought from home. Open food is prone to insects and other unwanted animals. Snacks can be purchased at the Trading Post several times daily. If snacks are sent in care packages or from home, please make sure they are in tightly sealed containers.

Visits, Phone Calls, & Mail

Visiting during the week by family and friends is discouraged for scheduling and safety reasons.

Phone Calls

Phone calls to and from home are discouraged. Emergency phone calls will be received at the office number during office hours. An emergency number is available on our directory for after office hours.

Homesickness

Counselors begin by trying to keep campers busy with all the activities, asking them to help with things and trying to keep their mind off feeling homesick. For most campers, this works. If time passes and none of these things work, someone (usually the Summer Camp Director, Counselor, or Nurse) will give the parents a call to make them aware of what is going on so the parents can decide how they wish to handle it. Campers then call home if needed. We want your child to succeed at their camp experience. Homesickness is contagious in a cabin and we will do all we can to help him/ her. However, if a child goes home because of homesickness, there is no refund.

Mail

Mail is distributed daily at lunch. Mail can be dropped off in the office on Sunday or mailed to the office. Please address mail to:

Packages are created here at Triple R Ranch and delivered daily! They will be available for purchase by the first week of camp.

Staff / Camper Mail Policy

We ask our staff not to contact campers using any form of social media such as Facebook, Instagram, email, etc. In an effort to help you monitor the influences in your child's life, we ask our staff to only correspond by post cards. If your camper wishes to write their counselor, they can send letters addressed to their counselor at Triple R Ranch's address: 3531 Bunch Walnuts Road, Chesapeake, VA 23322. We will be happy to forward letters and emails to staff during and after camp.

Horsemanship Track

In the morning your camper will participate in two hours of activity at the barn including riding lessons and theory. Each morning they will also participate in two skill areas with their cabin.

This is very important for safety reasons.

Proper Attire

Please be aware that flip-flops are never allowed in the barn or around the horses. Your camper will not be allowed to ride in open-toed shoes. Long pants and shoes with an actual heel are required for all campers taking Riding Lessons.

Camper Pick-up: Campers will be ready outside the trading post. Parents will be directed to park by the office for pick-up.

Sign Out: ***You may sign your camper out with their counselor by showing ID and being on the approved contact list.***

Camper Sign Out Security

The contacts listed in your camper's registration will be given to the counselors and be your **approved pick-up list**. All persons coming to pick up a camper must show photo ID each day with a name that matches the list. This information is pulled from the Parent Portal to include both parents, all emergency contacts, and anyone added to the pickup authorization.

If someone is not on the approved list to pick up your camper, we must have written permission including that person's name, address and phone number at check-in on Monday. They will be asked to show photo ID at the time of check-out.

Early Check-Out

If early check-out is a necessity, **please let us know at check-in**. Early check-out times must be finalized at check-in. You will be given a form to fill out with the check-out time and date, so your camper's counselor can have them packed and ready for your arrival. We do not issue refunds for leaving camp early.

Camp Handbook

Please refer to the Triple R Ranch Camp Handbook for comprehensive information and policies about summer camp. This is only a guide and meant to help parents find packing lists and check-in information easily.
