ASK ELIZABETH →

HI! I'M ELIZABETH!

I cannot wait to make your album.

I have been professionally designing for ten years and completed over 2,500 albums.

I love all types of projects and would be thrilled to create the album of your dreams.

Please look over the process and the guides and let me know what questions you have for me.

HOW TO GET STARTED:

01. ALBUMS VS. BOOKS

I offer both albums and book design. This youtube video explains the difference between the two so you have a better of idea of what to expect from the finished product.

In short, the albums are more luxurious with higher quality paper and cover options while the books are still absolutely stunning, however, slightly more budget friendly.

02. PRICING

All pricing can be found in the book and album guides. The listed pricing includes the design with 3 revisions, the album itself, taxes, and shipping.

There will be a 3% credit card fee applied at checkout. Cover upgrades and add-ons like debossing and gilding are listed in the guides.

HOW IT WORKS:

01. CHOOSE YOUR ALBUM

Let me know these three things:
(1) would you like an album or book?
(2) what size?
(3) how many photos you have?

02. CONTRACT AND UPLOAD

I'll send you a contract to agree to, then a link to upload your photos. If you'd prefer I select the photos, I can do it for $2 per page. Feel free to share your photos any other way that is easiest for you (online gallery, dropbox, google photos).

03. DESIGN AND REVISIONS

I'll design your first proof in 48 hours, and you get 3 complimentary revisions. Please send each round of revisions back within a week. Extra revisions are $50 each.

04. FINISHING TOUCHES

Once the design is final, you'll choose your cover options and pay through my invoice or venmo. Then I'll order your album and have it shipped straight to you!

The whole process takes anywhere from one week to a month, mostly depending on how quickly revisions come back.

One request: please start when you have time to answer emails and review your design promptly. It keeps things moving and gets your album to you sooner.

Questions? Just reply. I'm always happy to help!

WARMLY, ELIZABETH

FOUND SOMETHING YOU LOVE?

It's time to finally make your album.
