# ABOUT ME

I'm Kyrie Ryan, a wedding and portrait photographer based in Boise, Idaho. I am always craving a new adventure and travel as much as I can. My happy place is Red Fish Lake right here in Idaho and Canon Beach in Oregon. I am a dog mama to two perfect golden retriever pups named Willie and Watson. They are pretty much my whole world! In addition to taking pictures a few of my favorite things are coffee, wine, and family time! I am also a huge fan of music, I attend a lot of concerts and collect vinyl records.

I have been a portrait and wedding photographer for about 4 years now, but have always been obsessed with taking pictures. I used to beg my parents to buy me disposable cameras before I was even in grade school. I have always loved taking pictures of people and finding beauty in the smallest of things. Choosing to start this little business is one of the best decisions I have ever made and it has brought me so much joy.

A black and white photograph of a bride and groom in a field. The groom is on the left, wearing a suit and tie, leaning in to kiss the bride on the cheek. The bride is on the right, wearing a white wedding dress with a veil. They are holding hands. The background features a line of trees and rolling hills under a bright sky. The text "Capturing the light in your life" is overlaid in the center in a white serif font.

# REVIEWS

Kyrie is an incredibly talented photographer and is truly amazing at what she does. She captured every moment of our special day. She was helpful and encouraging throughout the entire process. We couldn't recommend her more and we are so grateful for her and her beautiful work! -Jessica Marceley

Kyrie did an amazing job on our engagement photos and I would recommend her to other couples anytime. It was super comfortable to work with her, which is what I look for in photographers. I felt that we were able to feel natural for the pictures when working with her. She also loves if you bring your pup and we are so glad that she included him in pictures and offered to keep an eye on him when she was taking our photos without him. -Taylor Gordon

Kyrie photographed our engagement and wedding. I can't recommend her enough! She thinks of so many great ideas during photos that I could never come up with and she's incredibly detailed.

Shes responsive, takes pride in her work and works so hard to capture important moments. -April Johnson

# FREQUENTLY ASKED

## + WHEN WILL MY PHOTOS BE DELIVERED?

My contract states that all images will be delivered within three months of the wedding day. However, it is typically much sooner (4-6 weeks) depending on the time of the year! I just like to give myself plenty of time because we all know that life can happen! I do send out a sneak peek of 10-20 images a day or two following the wedding to hold you over!

## + DO YOU GIVE THE RAW IMAGES?

Nope! Being in creative control over my business and how my brand is represented is very important to me. When you choose a photographer whose editing you love you won't feel the need to have your RAW images.

## + HOW LONG ARE MY IMAGES AVAILABLE FOR DOWNLOAD?

You have access to your online gallery for 3 months, but I suggest you download and store them in multiple places right away! Technology is great, but it is better to be safe than sorry!

## +DO YOU OFFER SMALLER PACKAGES?

Yes, a custom package for smaller affairs or elopements can definitely be made. However, these packages do not include an engagement session or a USB.

## +HOW INVOLVED ARE YOU IN THE PLANNING PROCESS?

As involved as you will let me be! I love being apart of the planning process. Helping out with timelines, shot lists, and giving vendor recommendations is something that I love to do! The more we work together and communicate about the day the smoother everything will be!

## +DO YOU HAVE A SECOND SHOOTER?

I do not have a second shooter that I bring with me to every wedding. Typically, a second shooter is not necessary (especially if you have a videographer), but if this is something you are interested in I would love to chat about it.

## +ARE YOU WILLING TO TRAVEL?

1,000% ,yes! I will absolutely travel! There is no travel fee for anything within 50 miles of Boise. After that a travel fee is determined based on travel time + expenses, and lodging (if it is needed).

## +DO YOU HELP WITH POSING?

Of course I do! I will always set you up in a pose, but I will also encourage you to move and be yourself. Sneaking in a kiss, hug, or even some tickles will always get you some pretty adorable and more candid photos!
