

THANK YOU FOR SIGNING UP TO BE A VENDOR AT OTTER FEST THIS YEAR!

We're so excited for the event and are grateful for your participation! As a nonprofit, we are using our camp & conference center registration software to process vendor and food truck payments for Otter Fest.

To finalize your registration, click the following link: bchcenter.campbrainregistration.com

You should see a landing page with a picture of Otter Lake, the inspiration behind the festival's name, in the background.

Sign up using an email address and a password. Once you confirm your e-mail and log in, click "Otter Fest Vendors and Food Truck Payment".

Please select the appropriate payment/vendor type from the list.

You will then be prompted to complete the contact information, emergency contact information, business name, and release form check box fields, and to provide payment information.

Once you click submit, you should receive confirmation to the e-mail address you used.

Thanks so much and we'll see you soon!

IF YOU HAVE ANY ISSUES, PLEASE REACH OUT TO: 603-547-3400
