10101 ECR 95 | MIDLAND

3 BED | 2 BATH | 1900 SQFT | 5 ACRES

Some places you buy. This one you put down roots in. Set on a full 5 acres in the heart of Greenwood ISD, this 3-bedroom, 2-bath farmhouse has the kind of character you can't build into new construction warmth, story, and a sense that life is meant to slow down here. The land is completely fenced and ready for horses, 4-H and FFA animals, or the garden you've been planning for years. A dedicated animal and equipment barn handles the work side of country living, while exterior storage buildings offer a rare bonus: the bones for a future guest house, studio, or income suite. This is a quiet, established pocket of Greenwood, the kind of neighborhood where families settle in and stay. Homestead it, garden it, raise a show animal, grow into it.
