INTRODUCTION

WELCOME, FRIEND

You are here because
you want stunning
images of your *most
timeless moments.*

If you're looking for the ability to relive a feeling
then you've come to the right place. I strive to
capture not only how you and your sweetheart
look, but how you felt, through playful prompts
and purpose driven posing.

Through years of experience and custom tailored
day-of planning for every couple, I strive to ensure
every wedding day unfolds in a way that allows you
to relish in your celebration and is skillfully captured.

behind the **LENS**

With loving encouragement and the eye of an artist, I work with my couples to create images that truly reflect their most beautiful selves, full of love, laughter, light, coastal backdrops and natural moments (guided by my expert hand!) People are my passion and after over a decade behind the lens, I still find weddings the most joyous, emotional and connective celebrations, that I cannot get enough of.

I believe great stories transcend mediums, classic style is eternal, and mornings are for coffee.

“I always thought I was awkward in front of the camera. Until now.

— MARISSA 2024 BRIDE

She took every dream I had for our wedding day and brought it to life!

— MADISON 2023 BRIDE

She was not only an amazing
photographer, but *seriously*
the glue to the entire wedding day.

She is so professional but also becomes your best friend. She
really cares about you and making your wedding perfect. I
cannot recommend Sarah enough!

BOLDLY NATURAL *editorial, romantic* JOY-FILLED

I BELIEVE THE BEST PHOTOGRAPHY
HAPPENS WHEN WE ARE CONNECTED.

My goal every time I get behind the lens is to empower my couples to feel the most beautiful they have ever felt. Blending a keen eye for detail with a passion for meaningful connection, together we can create magic. I view my career as a ministry and cherish the amazing souls I have the privilege of capturing.

“Our wedding day was an *absolute dream* from beginning to end and it wouldn’t have been possible without Sarah.”

Aside from the wonderful way she made me feel on our big day - she captured every single moment in the most beautiful way possible.
