Solos, Duets and Trios

Solos, duets and trios are taught privately, outside of regular dance class times. You must contact Miss V (Véronique - Dance Instructor) on your own to plan arrangements for instruction and payment for private lessons.

Attendance

- Attendance will be taken each class.
- Students that have an injury are encouraged to attend and watch dance class, even if the student cannot dance.
- Students that are ill or not feeling well are advised to stay home to avoid getting other students sick, including the dance instructor.
- Anyone unable to attend dance class, please notify me/Miss V (Dance Instructor) as soon as possible.
- Dance students are required to wear proper dance gear in class, and their hair must be tied up and off their face.
- If a student misses more than 3 classes per term, they will not be attending the festival that season. That also stands with if they are performing a solo, duet, and or trios. Full commitment to the dance season is required from everyone, unless I've been notified, they are severely ill or away on a holiday.

Additional Rules

- No jewelry is to be worn in dance class at any given time and must be removed before class begins.
- Absolutely no chewing gum in class!
- No nail polish on the hands or feet for dance performances, festivals, and recitals.

Behaviour Rules

- Misbehavior is NOT tolerated in dance class. If a student becomes a disruption or disobeys in class, the child may be asked to and/or be told to go sit in a Time-out.
- If the problem continues, I will contact and notify the parent/guardian to address the issue.
- V's Dance Academy is committed to providing all dance students with exceptional dance training in a welcoming, safe, fun and professional environment. Please always be respectful to the Dance Instructor (Miss V) and your peers in dance class.
