Art "Bulldog" Downs

The 85th Annual Fisher Fair is dedicated to Art Downs

Born into farm life, Art was the son of a farmhand who grew up working for the same farmer. From an early age, he developed a deep love for farm life and, of course, county fairs.

He was an FFA public speaker and began announcing at local celebrations. His first paid announcing job was at the Ford County Fair in 1970.

In 1990, when the Fisher Fair lost its announcer, Happy Jack Knoel, Art stepped in at the 48th Annual Fisher Fair. With Jack Alexander serving as president, Art took on announcing all of the grandstand events except the car show. Over the years, those events included horse pulls, the strongman contest, snowmobile pulling, the combine derby, tractor pulls, and the demolition derby. It remains the only car demo he does.

Throughout the years, Art has watched the Fisher Fair grow and prosper, and in turn, the fair has been strengthened by his faithful presence, dedication, and unmistakable voice. For so many fairgoers, Art has become part of what makes the Fisher Fair feel like home.

His love for the fair, his commitment to the community, and the many years he has devoted to this tradition have left a lasting mark. It is because of people like Art "Bulldog" Downs that the spirit of the Fisher Fair continues year after year.

It is with sincere gratitude and pride that this year's Fisher Fair is dedicated to Art "Bulldog" Downs.

Terry Swyear

The 85th Annual Fisher Fair is dedicated to Terry Swyear

Fisher Fair is proud to announce that Terry Swyear is the recipient of the dedication at this year's 85th annual fair. Terry and the Swyear family have been an integral part of the Fisher Community Fair for over 30 years.

Since 1992, Swyear Amusements has been the carnival provider for the Fisher Fair, creating a long-standing partnership with our community. Terry played an important role in continuing and strengthening that relationship over the years.

Terry became the owner of the company and led it until his passing in 2025. We deeply valued Terry's friendship and his dedication to the fair. His son Alex and daughter Amy have now taken over the business, and the fair continues to have a strong relationship with Swyear Amusements.

The Fisher area churches also help by providing a home-cooked meal the night before the fair opens each year. It is a true working relationship during fair week. The Swyear family and their employees greatly appreciate the generosity our community shows to their hardworking team who travel all summer.

The Swyear family is outstanding in the amusement industry. They are from New Athens, Illinois, and truly enjoy coming to the Fisher area.

Congratulations to the Swyear family on this well-deserved dedication honoring Terry's impact on the Fisher Community Fair and the amusement industry. We are grateful for the hard work and dedication Terry gave to our fair, and we honor his memory. May he rest in peace.

On behalf of the entire Fisher Community Fair board, we want to send a heartfelt THANK YOU to our volunteers! Fisher Fair prides itself on being completely volunteer led and supported and we have done this for our entire 85 years!!

The Illinois Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.

THANK YOU

The Fisher Community Fair Directors and Officers acknowledge the state aid and the rehabilitation revenue received by the fair under the Agricultural Premium Fund.

A note from Natalie Moore, the 2025 Miss Fisher Fair Queen

Welcome to the Fisher Fair!

I am truly blessed to be your 2025 Miss Fisher Fair Queen. The Fisher Fair is an important part of our community, and it is a great honor to be able to represent something that brings so many of us together every single year.

There is so much more to the fair than just attending an event. It is a celebration of agriculture, tradition, and the contributions of countless individuals. Whether you attend the livestock shows and exhibits, eat the delicious food, ride the attractions, or watch grandstand events, every aspect of the fair represents the dedication and pride of our community.

One of my favorite parts of the Fisher Fair is watching tractor pulls. I love hearing the sound, anticipating what will happen next in the pull, and then cheering on the tractors as they give it their all. I also enjoy helping with the children's games. Seeing smiles on their faces as they laugh, play, and get to experience the fair in a fun environment. Of course, we can't forget about the fair food! From something traditional like a funnel cake or a lemonade shake-up, it is a treat that makes enjoying the fair even more special.

Participating in the queen pageant has provided me with opportunities to grow and develop personally, as well as allowing me to represent both the Fisher Fair and agriculture. I have learned throughout my reign that being the fair queen is more than just a title; it's proudly representing our community, educating others, and having the opportunity to experience the fair in a whole new way.

To everyone who helps to make the Fisher Fair successful, thank you. Without your volunteering, hours of service, and more, this tradition wouldn't continue from year to year. As you come to the Fisher Fair, take it all in, enjoy your time, and make lasting memories.

Thank you for your endless support. I'm so honored to be a part of this community and represent this amazing fair!

With the biggest gratitude,

Natalie Moore

Your 2025 Miss Fisher Fair Queen

- Penalty for obtaining certificate of registration by false pretense.
- Be it enacted by the People of the State of Illinois, represented in the General Assembly: That any person who by any false pretense, shall obtain from any club, association, society, or company for improving the breed of cattle, horses, sheep, swine, or other domestic animals, a certificate of registration of any animal in the herd register or other register of any such club, association, society, or company, or a transfer of any such registration, and every person who shall knowingly give a false pedigree of any animal, upon conviction thereof shall be fined not exceeding \$1,000, nor less than \$25, or imprisonment in the county jail for a period not exceeding one year, or both, in the discretion of the court.

Show Ring Code of Ethics

Believing it is in the best interest of all breeders of all livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the following list of practices are considered unacceptable in the presentation of livestock. The use of such practices or procedures is, therefore, considered a violation of the Rules and Regulations governing this show.

- Misrepresenting the age of the animal for the class in which it is shown.
- Treating or massaging any part of the body internally or externally with an irritant, counter-irritant or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
- Minimizing the effects of cramping by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
- Striking the animal to cause swelling or any other misuse of a drug of any kind, internally or externally.
- The use of alcoholic beverages in the feed or administered as a drench.
- Criticizing or interfering with the judge, or other exhibitors, breed representatives or show officials before, during or after the event may result in an individual or group being expelled, placed on probation, declared ineligible or barred from exhibiting at the event.

Any violation of the Rules and Regulations specifically designed for the individual shows or the "Show Ring Code of Ethics" may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the exhibitor, organized group and individual or livestock involved. Probation disqualification, expulsion or other disciplinary action of the Management will be final.

Such action will require application for readmission under such terms and the Management may prescribe before the group or individual is allowed to exhibit at future events.

The Fisher Community Fair is a member of the following show support organizations:

Illinois Association of Agricultural Fairs and The International Association of Fairs and Expositions.

Violations at this show may affect the eligibility of the individual, group or sponsoring organization for participation at other shows that are also members of these organizations. The names of anyone in violation will be released to the other Fairs and Expositions.
