

WELL HELLO, FRIEND!

This is going to be fun!

I'm Lisa, the photographer behind LiLo Photography. I have been working magic with teens and seniors for more than 20 years with the last 12 being in photography. As a former middle school teacher and mom of three teenage boys, my experience ensures that picture day is fun and easy for everyone involved.

My goal is for seniors to feel comfortable and confident in front of the camera to capture the "real you". From how to prepare and choose a location, to posing and props, I will help you every step of the way making the process seamless and comfortable.

I know you have a LOT of options for senior portrait photographers...so I just wanted to take a moment to say thank you for considering me as your senior photographer.

I hope I get the opportunity to capture this special season for you!

xoxo, *Lisa*

HEY CLASS OF 2027

Client Testimonials

“

"I am so grateful to have so many amazing images of my daughter's senior year! Beyond thankful to have such a phenomenal variety of locations and themes, each with a different vibe."

Tenby D.

“

"When it comes to Senior pictures, Lisa (aka LiLo) is THE BEST person to choose. I could not have been any happier with my decision. She planned everything with ease, knows what she is doing, and makes it extremely fun."

Madelyn M.

WHAT TO EXPECT

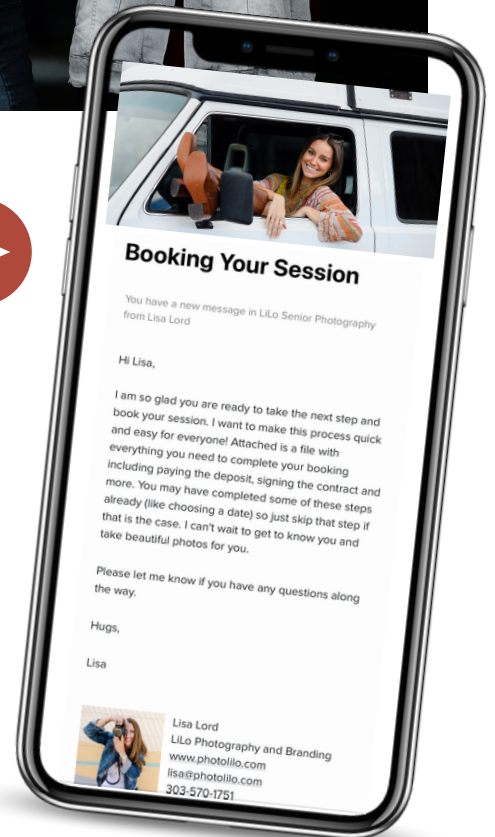

I know this process can be expensive and overwhelming and I am here to help (mom of class of 2022 and 2024 here so I know what you are going through)! Here is a little sneak peek of what is to come if you decide to book your session with LiLo Photography.

1. Booking Your Session:

Once you decide to book with me, you can choose the date for your session to get the ball rolling. Then I will send you the contract, payment and a questionnaire for me to get to know you so we can customize the session just for you. All of this is done online and is quick and easy!

I will also send you a complete guide to help you choose a location, props and clothes for your session. When you show up to your session you will feel relaxed and prepared!

2. Your Session

Your session will either be first thing in the morning or in the 2 hours before sunset to ensure the best lighting and the coolest temperatures. The day of your session, I will guide us around the location finding fun and unique locations. We will change outfits every so often to make sure we have variety in the photos. Don't worry I always bring a changing tent so you can change in privacy. Never done professional photos before? Don't worry! I tell you exactly what to do so you feel comfortable and look confident. I have done this for 12 years and I know how to get genuine smiles and poses that look natural. Trust me...I will make you look good!

3. AFTER YOUR SESSION

Instant Gratification is the best, right?! You can expect a social media sneak peek within 24 hours of your session. Then your full online gallery of high resolution images will be ready in 2-3 weeks for you to download. All images are lightly edited and you will receive print rights to the digital images. No further purchase is required. If you desire, you can purchase albums, prints, brag books or announcements for an additional fee.

4. Why should you book?

- **Up front pricing-** Be wary. Some photographers charge a "sitting" fee and then require you to make a purchase after the fact. LiLo pricing is completely up front and there is no additional purchase required. All high resolution images are included in the pricing.
- **The LiLo Photography Experience is unique-** with 12 years of experience, LiLo knows the best locations, props, outfits and prep tips to have you feeling confident and ready for photos. The process is smooth, quick and easy. Your photos will not look like everyone else at your school! Ready for a unique, creative, fun and seamless experience? You are in the right place!

FAQ'S

Here are some questions that I get often.

When should I book my session?

June is my favorite! It is cooler, the grass is greener and locations are less crowded. However, we can shoot year round! Your school will have a specific date that your yearbook photo is due and your session needs to be scheduled 3 weeks prior to the due date.

How many images will I receive?

For a full session, you can expect 75+ high resolution images and 30+ for a mini session. All of the digital images are edited and come with a print release.

What is included in the session fee?

All sessions include the session time (90 minutes or 30 minutes depending on the session), and ALL of the high resolution digital images with light edits delivered in an online gallery. If you need further editing for acne, it requires an additional fee. You also get unlimited poses and outfit changes, although the more time you spend changing, the less time we have for photos. Travel fees may apply if the location is outside of the Littleton area.

Can I add on a family session?

Yes! It is a great time to get more bang for your buck! You can add a family session to the beginning of your senior session for \$199. It is a 20 minute mini session with any combinations or poses that you want. Must be done at the time of the senior session and is for immediate family only.

What form of payment do you accept?

When you book your session a 50% deposit is required. You can make that payment with credit card, bank transfer, Venmo or cash. The remaining amount is due the day before the session and can be made with any of those payments as well.

What should I bring?

When you book your session, I will send you a comprehensive guide on how to prepare for your session. It will talk about props, clothing, water and anything else that you might need to bring to the session. You will feel fully prepared before you show up!

Can I bring my BFF?

Of course! Everyone should bring mom or dad and then you can bring anyone else that will help you feel comfortable in front of the camera. I might even snap a picture of you together (time permitting)!

Help! I don't know how to pose.

I gotcha covered! Everyone feels a little unsure in front of the camera. I will tell you exactly what to do and how to move so you look comfortable and confident in front of the camera. Don't worry about posing!

What should I wear?

When you book, I will send you a comprehensive guide (and even a video) to help you choose what to wear! In general, I recommend that you bring 2-4 outfits with a little bit of variety in the outfits. However, you can bring as many outfits as you want. Just realize that the more you are changing your clothes, the less time we have to take photos.

Where do I change?

I gotcha covered! I have a pop-up changing tent that I bring to all of my session. You will feel comfortable changing in any location within the privacy of the tent.

PRICING:

Full Session- \$1000*

A full session is 90 minutes and includes 1-2 locations (that are close in proximity). You have unlimited outfits and poses. All high resolution images with print rights are included in the session fee. No further purchase required.

Mini Session- \$650*

Mini sessions are 30 minutes and are only available on certain dates (TBD for summer of 2026). Location is chosen by LiLo Photography. All high resolution images with print rights are included in the session fee. No further purchase is required.

*Price is subject to change if booked after 9/1/26
