

The Process

REACH OUT

Reach out to us to determine our available dates to see if we have your date open. Most dates at our MeadowView venue book 18-24 in advance. From there, we can schedule a time for you to tour our venue around your schedule.

TOUR

We will meet in person at the venue to show you around and answer any questions you may have. This is a great time to visualize your wedding day with us and let us talk you through the variety of set up/back up plans that we offer.

BOOK

After you tour and decide you want to book, reach out to us and we can send you over the rental contract to review and sign. A signed contract + 25% down reserves your wedding day with us. From there you're officially on our books and the planning can begin!

You have questions...

WE HAVE ANSWERS

- Open vendor policy with the choice to use who you prefer. We can give you great suggestions but the choice is yours! Our only requirement is that the catering be through a licensed/insured caterer or restaurant. Our in house caterer is on-site and is called Perk & Plate- they are located on-site at MeadowView!
- Alcohol policy: You can bring in your own alcohol ~ a \$250 fee will be charged for bartender + insurance coverage. If you go through our caterer for alcohol, fee is not charged.
- We will meet again one month prior to your wedding to finalize table/chair set up. We are always available throughout the planning process to answer any questions you may have!
- To reserve a date with us we require a signed contract + 25% down on the package price with 50% paid 6 months out + final balance due one month prior. You can make payments if you'd like but it is not required. Pricing is subject to change unless you lock in a contract/date with us.
