Become an ACE Community Partner

Supporting Canada's Early Learning Community.
Connecting Your Business with Canada's Child Care Leaders.

ACE Community Partnerships connect businesses and service providers with early learning and child care owners, operators and organizational leaders across Canada. For organizations providing **technology, insurance, professional services, supplies, training or equipment**, an ACE partnership provides a meaningful way to build relationships, share expertise and grow visibility across the sector.

YOUR CONNECTION TO CANADA'S CHILD CARE DECISION-MAKERS

163,000+ LICENSED CHILD CARE SPACES REPRESENTED ACROSS CANADA

ACE members are owners, operators and organizational leaders making purchasing, investment and growth decisions in communities across Canada.

NATIONAL REACH
Connect with child care operators & organizations across Canada.

DECISION-MAKERS
Reach owners & leaders making purchasing and investment decisions.

YEAR-ROUND CONNECTION
Build ongoing visibility through ACE's website, newsletter & community.

Development & Construction | Furniture & Equipment | Technology & Software | Insurance & Financial Services | Legal, HR & Professional Services | Recruitment & Staffing | Training & PD

"When you partner with ACE, you're connecting your business with the people who are buying, building, growing and operating child care across Canada."

This is more than advertising — it's an opportunity to build credibility and lasting relationships across Canada's early learning and child care sector.

★ **Every ACE Community Partnership includes 3 dedicated newsletter features annually**

Community Partner

- ✓ Priority consideration for additional ACE partnership and engagement opportunities

Share More Than an Ad

Use your three annual newsletter features to educate, inform and connect — share an article, introduce a product or service, promote an event or offer, or provide a useful resource for Canada's early learning and child care community.

All content is subject to ACE editorial approval and should be relevant to the early learning and child care sector.

Why Partner With ACE?

Connect
Reach child care owners, operators and decision-makers.

Build Credibility
Be recognized as a trusted resource within the sector.

Share Your Expertise
Educate ACE members & demonstrate the value you bring.

Grow Your Visibility
Maintain year-round visibility across ACE channels.

Become an ACE Community Partner

Put your organization in front of the people leading Canada's early learning and child care programs — while supporting ACE's work to strengthen the sector.

Let's build stronger connections together.

Partnerships are available annually. Contact ACE to get started.
