WEDDING VENUE IN OAK GLEN, CA

WELCOME TO THE HOMESTEAD

Nestled on 5.5 acres in the scenic Oak Glen, The HomeStead at Wilshire Ranch offers a secluded retreat surrounded by the natural beauty of Wilshire Peak and the San Bernadino mountains. Majestic California oaks, massive sycamores, heirloom apple trees, and a sprawling lilac field graces the landscape, while the valley below offers breathtaking views, with Lake Perris sparkling like a gem in the afternoon sun. This property is not only rich in natural splendor but also steeped in history.

Over a century ago, Blackie Wilshire and his vibrant family made this beautiful glen their home. Today, original features from that era still stand, seamlessly woven into the love stories that our couples create here.

VENUE SPACES

RECEPTION AREA

Guests will dine outdoors, surrounded by great views of the mountains, and then dance under the stars with sparkling lights surrounding the site. Chiavari chairs with cushions and large tables make for a comfortable and festive feel.

CEREMONY AREA

Tie the knot under the arms of giant oak and sycamore trees in our open air space. This space is designed for the bride to make a grand entrance. The couple will then stand together on a terraced stage for all to see.

COTTAGE & CABIN

Enjoy getting ready in style with your bridal party in our comfortable, private spaces on the property. Situated just far enough away for privacy but not too far for comfort.

BEVERAGE AREA

Your guests will enjoy the self-serve beverage area with cold drinks. This hand-crafted space also makes for a unique bar area positioned in between the ceremony and reception areas.

FIRE RING

As the evening progresses, we will stoke a warm fire for friends and family to gather around and make s'mores.
