Trading Post, the Camp Store

The Trading Post is the camp store where campers get an opportunity each day to purchase snacks and souvenirs. Many snack options are available like chips, cookies, crackers, ice cream, water, soda, juice, etc. Souvenirs available vary from year-to-year but always include t-shirts, bandanas, bumper stickers, reusable water bottles, and other items to remind campers of their time at camp.

Parents pre-pay an amount for each camper's account before the week arrives. Campers will only be able to make purchases on their account and not with physical money; it is against camp rules for campers to bring money with them to camp. If they do, it will be turned into the office and can be picked up at the end of the week. If you would like to add Trading Post funds at the time of registration, simply add the amount to your total payment.

Online, parents can go to the virtual Trading Post and purchase Care Packages, an exclusive yearly edition camp t-shirt, and other items to enhance the camp experience. Not everything available in the store is available online store.
