

# Scrip Program

## Fundraising Has Never Been Easier

### What is Scrip?

Scrip is a way to fundraise while you shop! You can purchase gift cards for 750+ retailer brands that you already shop from and earn a rebate on every gift card you purchase at face value. That rebate goes right to our organization or toward a student's tuition depending on where you designate it.

### How it Works:

We run our Scrip program through Raise Right, who has worked with over 30,000 nonprofit organizations over 25+ years. You will need to sign up and create an account to purchase gift cards online ([www.raiseright.com](http://www.raiseright.com)). You can also purchase a smaller selection of Scrip cards in person at the St. John Lutheran office from 7am-3:30pm Monday-Friday.

### Potential Earnings with Scrip:

For your first order, you might just purchase Scrip cards for your gas and groceries. Once you get used to the process, you can start to earn on every area of your budget including dining out, shopping, home improvement, travel/vacations, and more. Here's an example of what you could earn (based on national average numbers for a family of 4):

| Item                 | Average Rebate | Spending Per Month | Earnings Per Year |
|----------------------|----------------|--------------------|-------------------|
| Groceries            | 4%             | \$385              | \$160             |
| Dining Out           | 3%             | \$250              | \$240             |

| Entertainment        | 5%             | \$240              | \$140             |
| Clothing/Accessories | 9%             | \$150              | \$170             |
| Home Improvement     | 4%             | \$150              | \$70              |
| Vacations            | 6%             | \$330              | \$240             |
| Total                |                | \$1,680 per month  | \$1,080 per year! |

### Purchasing Scrip at the SJL Office:

Before purchasing gifts cards in person, you will be asked to fill out a Scrip Designation Form. That form will show where you'd like your rebate designated. You can choose several different options, including paying toward a student's tuition. You're then ready to fill out an order form.
