A wide-angle photograph of a coastal scene. In the foreground, a rocky beach with light-colored stones and patches of dry, yellowish vegetation leads down to the water. The ocean is a deep blue, with gentle waves visible. In the distance, a thin line of land or a city skyline is visible on the horizon. The sky is filled with soft, grey clouds, and a bright light source, likely the sun, is breaking through the clouds from the upper left, creating a series of rays that fan out across the sky. The overall mood is serene and atmospheric.

An aerial photograph showing a vast colony of seabirds, likely albatrosses, in flight over a deep blue ocean. The birds are scattered across the frame, with some appearing as dark silhouettes and others showing white underparts. The ocean's surface is textured with white, frothy surf from breaking waves, creating a complex pattern of white and blue. The word "GRAPHICS" is centered in the image in a white, sans-serif font.

A vintage, slightly faded color photograph of a person surfing. The surfer is in a crouched position on a wave, with their arms extended forward. The wave is breaking, creating white foam. The background shows a vast expanse of the ocean and distant, hazy mountains under a clear sky. The overall tone is nostalgic and captures a classic surfing scene.
