

The background image is a vibrant tropical scene. In the foreground, there's a wooden deck with four lounge chairs, each with a white towel and a dark blue cushion. Two large, light-colored patio umbrellas are open on either side. Below the deck, the edge of a swimming pool is visible. The middle ground shows a calm blue ocean meeting a dark, rocky shoreline. In the background, a lush green hill rises from the water's edge. The sky is a deep blue with scattered white clouds.
