Online Links

For clients who simply want pointed in the right direction or are at a distance, let us provide recommendations that best suit your body type and lifestyle. We'll send you links to items we suggest, where you can order your items directly. We'll set up a call for a virtual try on session from the comfort of your own home and you can complete any needed returns.

At Our Headquarters

If you're a busy go-getter or shopping makes you cringe, let us do the heavy lifting! With a prioritized shopping list we'll pre-shop for you, pulling the best options from hand picked retailers that suit your style. We'll have a fitting room ready and waiting for you at our HQ for a try on session with a stylist and handle all returns.
