

# MOMENTS, NOT HOURS.

**GOOD WEDDING PHOTOS.  
NO WEIRD SH\*T.**

Three packages. The moments you want.  
One less thing to overthink.

**THE WEDDING PRICING GUIDE**

# Hear me out...

Less overthinking.

More having a bloody good day.

Four hours? Six? Eight? How are you meant to know when you have never done this before? You have enough on your plate. Let me sort this bit.

**You choose the moments.**

**I work out the timing.**

Tell me which bits you want captured and I will sort the timing around them. Getting-ready chaos? The I dos? Speeches and first dance? Pick your package, then leave the photo maths to me.

Have a drink. Hug your people.

Leave the photo stuff to me.
