INTRODUCTION TO CANVA

FOR EDUCATORS

Canva Education Fundamentals

This session is designed to equip educators with the foundational skills to effectively use Canva for their classroom or educational needs. Participants will learn how to navigate the Canva interface and explore essential elements, templates, buttons, and key features. We will also cover practical sharing features to enhance collaboration and distribution of your creations. By the end of this session, you'll be able to confidently create engaging visual content for your students and colleagues.

TOPIC 1

Navigating Canva's Homepage

TOPIC 2

Exploring the Element Library

TOPIC 3

Kickstart Lesson Planning

TOPIC 4

Curriculum Connections
