### Late Enrollment & Curriculum Deposit:

Students beginning the enrollment process after the published late enrollment date will be required to pay a \$250 Late Enrollment & Curriculum Deposit before enrollment is finalized. This deposit helps offset the additional administrative work, curriculum preparation, and financial risk associated with late enrollment and delayed scholarship funding. The deposit will be credited toward the student's tuition account. However, because curriculum and materials are ordered and a place is reserved for the student, the deposit is non-refundable if the family withdraws after enrollment is finalized.

### Payment Process:

All payments are due on the first of the month. Payments are considered past due on the 10th of the month and a late fee may be applied. The normal payment schedule is from August 1st through May 1st. If a student is withdrawn prior to the last day of the month, one full month's tuition will be NON-REFUNDABLE. All fees are non-refundable. If the student is a scholarship recipient, unpaid monies will be the sole responsibility of the parent/guardian and will be due immediately. All tuition and fees for a current school year must be current prior to re-enrolling for the following year. Generations Academy reserves the right to withhold services such as, but not limited to, class attendance, tutoring, participation in events including awards ceremonies, graduation, and Before and After Care if accounts are not kept current. Fees are for the use of items and do not constitute ownership of items. Generations Academy retains ownership of all materials and all materials are to be used by currently enrolled students only. All scholarship families are ultimately responsible for their child's fees and tuition and will be required to pay any amount not covered by a scholarship. Delinquent accounts forfeit all discounts.
