ABOUT ME:

I'm Emily, owner and lead photographer of Evoke Photo Company. Based in Lake Village Indiana, I've been documenting love stories throughout Northwest Indiana and South Chicagoland since 2015.

What started as photographing engagement sessions for friends and family grew into a passion for documenting some of life's most meaningful moments.

It's been incredibly rewarding to not only watch so many of my couples tie the knot, but continue documenting milestones for them throughout the years that follow. I can't wait to celebrate alongside you!

FAQ;

Q: What is your photography style?

A: Rich, earthy and true to life. My work blends documentary storytelling with gentle direction to create imagery that feels authentic and timeless. I want your images to reflect not only how your wedding day looked, but how it felt too.

Q: How far in advance should we book?

A: I typically open bookings 9-12 months in advance. Popular dates often book well in advance, so I recommend reaching out as soon as possible to ensure availability.

Q: How do we reserve our wedding date?

A: A signed contract and a 25% non refundable retainer are required in order to reserve a wedding date. The remaining balance is due 10 days prior to your wedding.

Q: Do you travel for weddings?

A: Absolutely! I love documenting love stories, locally and beyond. Weddings outside my standard travel radius may require a custom travel fee depending on distance and accommodations needed.

Q: Do you help with coordinating our timeline?

A:Yes! I create a photography timeline for each wedding day. This helps ensure the day flows smoothly while making the most of lighting, portraits and meaningful moments throughout the day.

Q: Can you help recommend other vendors?

A: Of course. I've had the opportunity to work alongside many talented vendors over the years and am always happy to share recommendations for you to consider.

MORE QUESTIONS:

Q: Do you help with posing?

A: Yes! I will guide you throughout the day while still allowing genuine moments to unfold organically.

Q: What is your turnaround time?

A: Galleries are typically delivered within 8-12 weeks, depending on season and wedding coverage. Every image is hand edited, prioritizing quality, consistent, and a gallery that fully reflects your day.

Q: How many images will we receive?

A: Although every wedding day is unique, you can expect approximately 50 images per hour of coverage. My goal is always to deliver a thoughtfully curated gallery that documents the details, emotion and experience of your wedding day.

Q: Do you offer or recommend engagement sessions?

A: Yes! Engagement sessions can be added to any collection and are a great way to connect before your wedding day!

Q: How will our photos be edited & delivered?

A: All final images are carefully hand edited for color, lighting, and overall finish. Minor blemishes and distractions may also be corrected when appropriate while still preserving authentic moments and natural appearance. Final images are delivered as high-resolution JPEG files through a private online gallery.

Q: Can we have the RAW files too?

A: RAW files are not available, as they are unfinished images that do not represent the final quality, editing style, or overall experience my work is intended to provide. All delivered images are personally hand edited and thoughtfully curated to create a cohesive final gallery.

Q: Can we request a second photographer?

A: Yes! A second photographer may be added to any collection to add additional coverage and perspectives. A second photographer is included in the Legacy collection.
