Part 3: Ordering additional products into the venue

Bottles/ canned products:

I want to have a bottled/ canned product on the bar, but you do not stock it, what are my options?

Option 1: Purchasing the product through the venue so it is free to your guests.

The venue will order the product for you, and you are required to pay for the full case.

For example:
If you ordered a beer that comes in a case of 24, you would be required to pay for all 24 at the price chosen by the venue.

Option 2: Purchasing the product yourself so it's free to your guests.

The client source the product themselves but must pay corkage for each item brought into the venue.

For example:
£2.50 per bottle as stated in part 2: Corkage

These items must be dropped off at the venue prior to the clients booking.

Option 3: Install charge - The venue purchases the product and guests purchase the product from the bar.

Price: £40 per case (regardless of size) - Maximum of 1 product.

We order the product of your choice into the venue and sell this at a price of our choosing behind the bar.

Draught or Cask Products

I want a draught/ cask product on the bar, but you do not stock it, what are my options?

Option 1: Purchasing the product through the venue so its free to your guests.

The venue will order the product for you and you are required to pay for the full Keg or Cask (the number of pints it contains) at a price chosen by the venue.

For example:
A 30L keg contains 52 pints

Option 2: Purchasing the product yourself so it's free to your guests.

The client source the product themselves but must pay corkage for each pint the product contains.

For example:
£3.50 per pint as stated in Part 2: Corkage.

This item must be dropped off at the venue prior to the clients booking (or delivered by respective supplier) the week of booking. The venue will install the product.

Option 3: Install charge - The venue purchases the product and guests purchase the product from the bar.

Maximum of 1 product
We order the product of your choice into the venue and sell this at a price of our choosing behind the bar.

This charge covers the maintenance, handling, disposal, service & waste if the product does not sell.

£150 install charge (50L Keg - 88 pints)
£100 install charge (30L Keg - 52 pints)
£100 install charge (9 gallon cask - 72 pints)

Part 4: Opening Bar Tabs

Can I pay in advance?

Yes, you can pay in advance any amount you would like.

You can use your tab however you like such as:

- A particular group of people (we recommend having a particular tab ID so we know who is who, such as a token they flash at the bar tender or a card of some kind.
- To only be available between a certain time.
- For a restricted list of products.
- Or all 3 options

You can also control how many drinks each guest can have by handing out tokens which they can exchange at the bar.

What happens if my tab runs out?

We will always inform you when you are close to your paid limit and will also let you know once the tab is finished.

You can extend your tab on the day but only by £500. Once the £500 has been reached you will have to pay the owed amount and then you can re-open the tab by another £500 and so on.

A valid and in date card such as a credit or debit card must be handed to the bar team. The team reserves the right to charge the card given if you fail to pay your outstanding balance before leaving the venue. All tabs must be settled the night of your event.

What happens if we do not spend the pre-paid amount?

We will track all purchases on our app and if at the end of the night you have not reached your prepaid amount you will be refunded the difference within 10 working days of your event.

We will email you to confirm this and a receipt will be given to you on the night.

Can I still open a tab on the day if I do not prepay for one?

Yes, you can open tabs on the day od your event to a maximum of £500. Once that £500 has been reached you will have to pay the owed amount and then you can re-open the tab by another £500 and so on.

A valid and in date credit or debit card must be handed to the bar team. The team reserve the right to charge the card given if you fail to pay your outstanding balance brfore leaving the venue.

PART 5: DRINKS TOKENS

Fancy treating your guests to a drink or two but you’re not sure what they want or what to choose? These options give you flexibility and control.

The Shack Revolution have our very own tokens that you can use.

PART 6: PIMP MY PROSECCO!

Add a little extra fun to your drinks reception with our Pimp My Prosecco station. Guests can mix and match fruity purees, syrups and fresh garnishes to create their own bubbly combinations, whether they fancy something sweet, refreshing or a bit tropical.

£100

(Serves up to 100)

What you get:

- **Strawberry Puree - 500ml**
- **Passion Fruit Puree – 500ml**
- **Peach Puree – 500ml**
- **Blackberry Puree – 500ml**
- **Grenadine Syrup – 200ml**
- **Elderflower Syrup – 200ml**
- **Fruits for garnish – Mixed Berries (Strawberries, Blackberries, Raspberries)**

All of the purees and syrups are served in squeezy bottles, with fresh fruit garnishes, tongs and ice to keep everything nicely chilled.

There's no time limit on the station. It's available until it's all gone. Once the purees and syrups run out, they won't be topped up.

PART 7: HYDRATION STATION

The Shack Revolution serve water from behind the bar free of charge and also as a standard we provide jugs of water and water glasses for all guests on your wedding breakfast table.

If you would like to have a station with water and glassware available all day on a table somewhere in the venue we can arrange this.

£30 or upgrade to a squash station for £10 extra
We will set up a station with 3 glass decanters with water, ice, garnish of your choice and glassware and will continue to manage this throughout the day.

PART 8: COFFEE & TEA STATION

£2.50 per guest a minimum of 50 guests

The venue can set up a self serve station and table for your guests anywhere you would like within the venue.

THIS STATION WILL BE COMPLETE WITH:

- Coffee dispensers
- Hot water urn
- Milk jugs (Semi-skimmed and full fat)
- Soya milk and oat milk
- Decaf coffee
- Tea and decaff tea
- Sugars and sweeteners
- Stirrers
- Cups for the number of guests required

The venue will continue to manage this and refill products throughout the day until all cups have been used.
