ABOUT ME

Born in New Jersey and raised in Pontiac, Michigan, I've been a makeup artist since 2017. What began as something that came naturally to me quickly became an industry I fell in love with. Bridal artistry holds a special place in my heart because I get to help women feel beautiful while being part of one of the most meaningful days of their lives. I bring a calm, positive energy to the wedding morning while still letting my outgoing personality shine through.

My signature style is sultry soft glam—captivating eyes paired with soft, balanced skin that still looks and feels like you. I'm intentional with every detail, from taking the time to perfect the complexion to making sure every lash sits seamlessly. My goal is for you to look in the mirror and have that “wait...that's ME?” moment—the kind where you feel beautiful, confident, and undeniably hot. I want you walking away thinking, “This is the best glam I've ever had.”

LINDSEY T.

Brenda absolutely KILLED IT! I truly cannot recommend her wedding services enough. My trial was amazing and she asked plenty of questions to make sure she was able to execute my vision. She made a few requested adjustments on wedding day and made me look and feel the most beautiful I've ever felt. Her communication through the whole process was amazing.

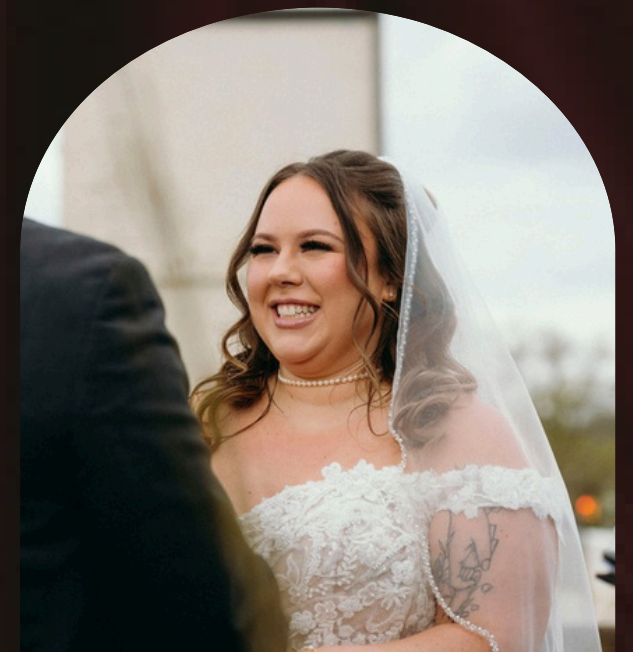

ALEEHA M.

I can't recommend Brenda enough. Her work is flawless and she is such a joy to work with. She took my vision and made it reality. I truly have never felt more beautiful in my life. Thank you so much!

GRACE

Brenda is so kind, thoughtful, and professional! My makeup felt so comfortable and light and it didn't feel or look cakey as the wedding day went on! I'm so happy with the way we both looked and I'm glad I trusted Brenda on such an important day. I highly recommend Brenda for your brows and makeup services!

MEGAN S.

Brenda was THE best! She went above and beyond making my makeup flawless and making sure it lasted all day! Skin care, face masks, all the works! Plus a touch up kit in case, which I didn't really need! My makeup stayed perfect even though all the happy tears. There's no one else I'd trust doing my makeup. She made me feel so beautiful in my wedding day!! 😊
