- Available in all of our Oak Finishes for interior use /see Finishes and Fabrics page
COM @54" Plain: 9 yards

LINEA SOFA — LEGNO EDITION

The Linea Sofa – Legno Edition reimagines the collection's signature silhouette through the addition of a sculpted oak back that follows the sofa's continuous flowing form. The wood shell introduces warmth, craftsmanship, and architectural character, highlighting the purity of the design while preserving the comfort and proportions of the original. Both sculptural and inviting, the Legno Edition celebrates the dialogue between natural materiality and refined restraint.
